*All the Magazines at Sever's.*

HASTY PUDDING CLUB HOUSE, HARVARD.

THE September (1888) number of THE CENTURY MAGAZINE contains the article on "College Fraternities," which is now attracting such wide attention. It includes pictures of twenty-eight Chapter Houses and Society Halls: Delta Kappa Epsilon, Psi Upsilon, "Bones" and "Keys" at Yale, etc., etc. (The above is one of the cuts.) The number contains several other papers of especial interest to college men, including "The University and the Bible," by T. T. Munger, in which the author takes the ground that the student should obtain as thorough a knowledge of the Christian as of the heathen classics; "Women who go to College"; "Art in Education"; "The Industrial Idea in Education"; "Modern Collegiate Education," etc.

Price 35 cents.

# THE TRUE AND NATURAL PRINCIPLE

For Cleansing and Preserving the Teeth and Polishing the Enamel

Is now welcomed by a chorus of Dentists and Physicians

In all parts of the U. S. and Canada as its perfect results are known

A perfect

polisher of

the Enamel.

A gentle

stimulant

to the Gums.

A THOROUGH CLEANSER OF THE TEETH.

Avoids all the well known Irritation and Discomforts and Injuries of Bristles. A blessing to adults. A delight to children. More economical, *more cleanly than harsh bristles.*

## WHAT LEADING DENTISTS SAY.

Dr. GEO. F. SMITH, D.D.S., Chicago, Ill., writes :

"I find it very satisfactory, and shall recommend it to my patients, especially to juveniles."

Dr. J. P. CARMICHAEL, D.D.S., Milwaukee, Wis., writes :

"The more I use your Ideal Felt Tooth Polisher, the more I am impressed with it. As a polisher for the teeth, and a means of hardening the sensitive gums, it has no equal."

Dr. CHAS. H. GOODRICH, D.D.S., St. Paul, Minn., writes :

"Your invention possesses a feature which seems to me important; viz: The enforced cleanliness arising from periodical change of the Felts. After a short time a tooth brush becomes foul and hurtful; but all this the Felt Brush remedies."

Dr. W. GEO. BEERS, D.D.S., Montreal, writes :

"It ought to be a luxury as well as a stimulant to use the Felt Polisher, constructed as it is, and I believe that with that and the Floss Silk between the teeth nothing better can be relied upon."

## GLEANINGS FROM OUR MAIL.

Mr. John S. Moffitt, of the Richardson Drug Co., St. Louis, Mo., writes :

"The goods are selling rapidly. I find the Felt Brush to be all that you claim for it; and in a word is a ready cleanser and polisher."

ETNA, PA., JUNE 11, 1888.

GENTLEMEN.—I am well pleased with your Ideal Felt Tooth Polisher. After using it my teeth are *smooth* and have a *lustre* which *cannot be obtained* by the use of *bristle brushes*. Please send me two more, cost enclosed, as my family wish to try them.

Truly yours,

N. SPANG.

BURTON, O., JUNE 10, 1888.

GENTLEMEN.—The box of Felts was duly received, payment enclosed. I have used the Ideal Felt Tooth Polisher for three months and find it indispensable to the toilet.

Very truly yours,

HELEN R. FORD.

## ECONOMY, BENEFIT, AND COMFORT.

First cost, 60 cents for holder and box of 18 Felt Polishers; lat'er only need be renewed, 25 cents per box; holder imperishable. At all Druggists', or mailed by

## **RATES OF POSTAGE.**

Mail matter is divided into four classes:

**FIRST CLASS.**--Written matter, or all matter sealed or tied so as not to be easily examined. Two cents for each ounce or fraction thereof.

**SECOND CLASS.**--Newspapers and other periodicals which are issued at stated intervals and as often as four times a year. One cent a pound (publishers' rates).

**THIRD CLASS.**--Miscellaneous printed matter, embracing books, circulars, and other matter wholly in print, proof-sheets, corrected proof-sheets, and manuscript copy accompanying the same, done up in such a manner that the contents can be easily examined at the Post Office. One cent for each two ounces or fraction thereof.

**FOURTH CLASS.**--Merchandise and other matter, not included in first, second, or third class matter, which is not liable to damage in any way the contents of the mail-bag, or harm the person of anyone engaged in the postal service, and not over four pounds in weight, and done up in such a manner that the contents can be easily ascertained. One cent for each ounce or fraction thereof.
